

## Corrigendum to CO2 report 2013

Jos G.J. Olivier, Greet Janssens-Maenhout, Marilena Muntean and Jeroen A.H.W. Peters,  
Trends in global CO2 emissions: 2013 report, EUR 26098, ISBN 978-94-91506-51-2, Oct.  
2013

04 November 2013

On page 4, in the second paragraph of the Summary: “.., compared with an average annual increase of 2.9% since 2000.” should be “..., compared with an average annual increase of 2.9% **over the past decade**”.

*With the past decade is meant since 2003, for which the average annual increase is 2.9%, whereas for the historical trend referred to in other places of the report, is meant since 2000, for which the average annual increase is 2.7%.*

On page 36, in the first paragraph of 3.4: “Half of the electricity generating capacity added globally in 2020 ...” should be “Half of the electricity generation capacity added globally in **2012** ...”

On page 42, in the first paragraph of the Conclusion: “While the past decade saw an average annual CO2 emissions increase of 2.7%,...” should be “While the past decade saw an average annual CO2 emissions increase of **2.9%**, ...”
